YOUR LIFE. YOUR SANTA FE.

Life is an adventure, and it's good to share it with others. You can keep all you take with you safely in its place with these sturdy, made-to-measure separators.

Cargo separator: upper frame, lower frame and vertical split

This versatile grid system securely separates occupants from contents of the load space. Its shape follows the interior contours of the Santa Fe, and the grid bars are arranged to provide optimal rear vision. Upper frame may be used alone, and is necessary for vertical split installation. Lower frame can be only used in combination with upper frame. Compatible with both trunk mat and trunk liner, and very easy to install or remove.

Upper frame 2W150ADE00
 Lower frame 2W151ADE00
 Vertical split 2W152ADE00

YOUR COMFORT. YOUR SANTA FE.

With a cabin so roomy and luxurious, it's not easy to upgrade comfort levels. But these clever accessories add even more convenience to your Santa Fe.

Wind deflector, front

The aerodynamic shape redirects outside airflow, deflecting wind and raindrops when driving with front windows that are slightly open. Set of 2.
2W221ADE00

Business suit hanger

This head restraint-mounted hanger keeps clothes crease-free on journeys, and meets occupant safety requirements. It can be easily removed for use at home, in the office or hotel.
99770ADE00

Phone console

This adjustable console safely accommodates your mobile phone, keeping it in view and out of harm's way.
E555055000

Ice/sunscreen

Fitting perfectly over the windshield and front windows, this custom-made, tear-resistant insulation screen prevents extreme heat build-up inside the car, and stops frost and ice forming on the window glass. Theft-resistant when fitted.
